5. **DELEGATIONS**

None.

6. COMMITTEE OF THE WHOLE

Next meeting scheduled for Tuesday, April 1, 2014 at 4:00 p.m.

7. UNFINISHED BUSINESS

8. **NEW BUSINESS**

8.1 Request from Chase and District Museum and Archives Society for a Grant-In-Aid

Mr. Vic Pages, President of the Museum Society provided a handout to Council, and addressed the following issues:

- The Society is requesting a grant in the amount of \$15,000 to cover additional wages for staff members in the summer months, for display cases, for replica of pictures banners, and landscaping
- The exhibit cases cost \$3000 plus an additional \$500 for a bench for each case – one case and bench is currently being built locally with grant funds received from the New Horizons for Seniors grant program
- At least 3 more cases and benches are needed
- Additional staff members are needed when the museum opens for more days of the week and longer hours during spring and summer months
- The Society hopes to have volunteers staffing the cabin for the summer
- Art classes that the museum is hosting brings in about \$150 per month
- The replica picture banners require funds to prepare 2 have been sponsored (paid for), there are a total of 8 to 10 banners to be done
- Landscaping needs include rocks, flower pots, flowers
- The Society does apply for grants and volunteers come in every Thursday to clean artifacts that are currently stored at the old primary school
- Main salary costs are covered by funds from the gaming grant and the Society applies for funding for summer students through the federal student program

Council discussion:

- It was queried as to whether the museum has approached local service clubs for funding
- Would like to wait to see the summary of the finalized budget items for 2014 before making a decision regarding the museum's request
- Public Works contributes annually to the museum grounds upkeep and flowerbeds – this will continue in 2014

Moved by Councillor Berrigan Seconded by Councillor Lepsoe

"That the request from the Museum be referred back to Administration for the provision to Council of a prioritized list of items requested by the Museum as well as Council's budget discussion summary for 2014."

CARRIED

8.2 <u>Chase Famer's Market – Request to Utilize Curling Rink Parking Lot and Community Hall washrooms for 2014 Markets</u>

Moved by Councillor Crowe Seconded by Councillor Berrigan

"That the request from the Chase Farmer's Market to utilize the Curling Rink Parking Lot every Friday from mid-May to early October to hold their markets, and to utilize the Community Hall washrooms during those market times, be approved."

CARRIED

Councillor Scott noted that the Farmer's Market is now completely separately operated from the Chase and District Chamber of Commerce.

8.3 Offer from the Royal Canadian Legion Branch 107 (Chase) to donate a theatre style popcorn machine to the Village of Chase

Moved by Councillor Berrigan Seconded by Councillor Scott

"That the offer from the Royal Canadian Legion Branch 107 (Chase) donating a theatre style popcorn machine to the Village for use by various Community Hall and parks user groups be accepted and that a letter be written to the Legion thanking them for their donation to the community."

CARRIED

8.4 Request from BC Barrel Racing Association – Grant-In-Aid

Discussion:

- The event brings a number of people to Chase from out of town good way to promote Chase
- A good investment to provide a healthy amenity for the event
- Perhaps the participants could donate \$2 each that would be used to pay for the toilet service

Moved by Councillor Crowe Seconded by Councillor Scott

"That Council approved a grant-in-aid to the BC Barrel Racing Association in the amount of \$605 for the provision of toilet facilities at the Rodeo Grounds on VLA road for the barrel races held in May, June, July and August of 2014."

CARRIED

Councillor Lepsoe opposed

8.5 <u>Daffodil Month Proclamation Request</u>

Moved by Mayor Anderson Seconded by Councillor Berrigan

"Whereas, another Canadian is diagnosed with cancer every three minutes; and

Whereas, the Canadian Cancer Society is working to eradicate all cancers and improve the quality of life for people living with cancer; and

WHEREAS, Daffodil Month is an opportunity for residents of Chase to show their support in the fight against cancer; now, therefore, be it

RESOLVED, that I, Mayor Anderson ask that all residents of Chase join me and the Canadian Cancer Society in the fight against cancer; and be it further

RESOLVED, that April 2014, is officially recognized as Daffodil Month, and

That April 2014 be proclaimed "Daffodil Month" in the Village of Chase, and that all residents of Chase be strongly encouraged to continue to recognize and support the Canadian Cancer Society and the fight against cancer."

CARRIED

8.6 <u>Letter from District of West Vancouver to Honourable Lisa Raitt, Minister of Transport and Minister Responsible for Canada Post Corporation regarding Canada Post proposal to Eliminate Home Mail Delivery Service</u>

Moved by Councillor Lepsoe Seconded by Councillor Scott

"That the letter from District of West Vancouver to Honourable Lisa Raitt, Minister of Transport and Minister Responsible for Canada Post Corporation regarding Canada Post proposal to Eliminate Home Mail Delivery Service be received for information."

CARRIED

Opportunity for Council Members to Introduce New Information

Moved by Councillor Berrigan Seconded by Counicllor Scott

That Council's resolution at its March 11, 2014 meeting to budget \$15,000 for grant-in-aid requests for 2014 be reconfirmed, and that amount not be split or allocated to any particular group, that all individual grant-in-aid requests be dealt with on a case by case basis."

Discussion:

 Councillor Lepsoe indicated that he liked the idea of having a certain amount of grant funds set aside for requests coming from the local First Nations communities – it would make things simpler when requests from them are received

The vote was called on the motion and it was

CARRIED

Councillor Lepsoe opposed

9. IN CAMERA

No in camera meeting.

10. ADJOURNMENT

Moved by Councillor Berrigan
Seconded by Councillor Lepsoe

"That the regular meeting of Council be adjourned."

CARRIED

Mayor Anderson declared the Regular Meeting concluded at 4:48 p.m.

These minutes were adopted by a resolution of Council on April 8, 2014.

Community to Community (C2C) forums are about opening lines of communication and building relationships between neighbours. In this case, the neighbours are local governments and First Nations. Across British Columbia, many of these communities already share schools, stores, recreation areas, roads and highways, and sewer and water services. They have used C2C forums to develop closer working relationships, provide or share services, work jointly on issues and look for opportunities to partner on new projects. Regular communication and cooperation has led to the establishment of formal agreements between communities that cover a range of subjects – from sharing infrastructure and services to long-term economic development.

 Guide to C2C Forums in BC, First Nations Summit and Union of BC Municipalities

PURPOSE AND OBJECTIVES

The Shuswap Community-to-Community Forum (C2C) arose out of a need to gather communities together to have a discussion and determine how to work together better on the subjects of economic development, tourism, and emergency planning and preparedness. It was decided by the C2C steering group that a meeting should include all the communities in and around the Shuswap Lakes area. This includes the Columbia Shuswap Regional District, City of Salmon Arm, Adams Lake Indian Band, Little Shuswap Lake Indian Band, District of Sicamous, Splatsin First Nation, City of Enderby, Neskonlith Indian Band, and Village of Chase. With this decided, the invitation to participate was extended to the Shuswap Emergency Program and the Salmon Arm Economic Development Society. See Appendix I for a list of forum participants.

The steering group, consisting of representatives from the aforementioned communities, agreed upon the objectives of the C2C forum:

- community to community sharing on services, capacities and challenges
- community to community conversations to lay the groundwork for working together better
- sharing and learning from existing cooperative initiatives,
 within the subject areas of economic development, tourism, and emergency preparedness and planning.

The anticipated outcomes of the C2C were:

- improved working relationships
- ability to improve service deliveries
- · established lines of communication and protocol for working together

The Fraser Basin Council was hired as a neutral facilitator for the C2C forum.

SUMMARY AND RESULTS OF FORUM

The workshop opened with acknowledgement and appreciation of the host community, Little Shuswap Lake Indian Band, and the traditional territory of the Secwepemc First Nation. Welcoming comments were provided by Larry Morgan, Director for Area 'F' of the Columbia Shuswap Regional District (CSRD) and Robyn Cyr, Economic Development Officer of the CSRD. An Elder from Little Shuswap Lake Indian Band was invited to participate in the forum and provide welcoming comments and an opening prayer but regrettably could not attend.

The first part of the day-long forum consisted of brief presentations from all communities. Presenters were invited to address the following questions, wherever appropriate:

Who/what is your community?

- What are your community's economic development initiatives, opportunities, capacities and resources?
- What are your community's tourism initiatives, opportunities, capacities and resources?
- What are your community's emergency planning and preparedness capacities and resources?

The second part of the day consisted of three concurrent small group discussions, one for each of the following subjects:

- · Economic development
- Tourism
- Emergency planning and preparedness

Participants were given three focus questions:

- 1. Based on what you heard this morning, what are some opportunities to work together?
- 2. How can we communicate better with each other? What are some good communications strategies for working together effectively?
- 3. What are the next steps? This may involve identifying a lead person, creating a matrix of opportunities, or a contact list.

Key results and action items of small group discussions

1. Economic Development

The group identified issues and opportunities for continuing to work on economic development together. One key issue is transportation for people to and from work and school/training. A potential opportunity or solution to this is to develop a regional transit system. Other opportunities that were identified include supporting and increasing engagement with the Columbia Shuswap Film Commission, especially with First Nations; creating a succession plan for agriculture jobs in the region; and increasing skills training opportunities.

Action item: as a first step, raise these issues at a local or regional political level. Following that, hold a follow-up meeting to develop protocols for working together on these issues.

Lead: Paul Demenok

2. Tourism

The group raised some key points:

- Acknowledgement of abundant First Nations tourism potential, and opportunities for tourism experiences or packages. These are not being capitalized on.
- Recognition of the need to protect First Nations sacred and cultural sites, especially from increased exposure through tours and tourism

 Acknowledgement of current initiatives underway such as a Regional Trail Strategy that needs involvement of First Nations

The group proposed developing a regional Tourism and Cultural Association that could do coordinated, inclusive strategic planning to address issues, gaps and opportunities for heightened First Nations tourism and cultural awareness/education. It was suggested that a pilot project could be developed to address some of these issues.

Action Item: a committee was struck to pursue this opportunity. Will need to apply for funding to implement a pilot project.

Lead: Robyn Cyr

3. Emergency Planning and Preparedness

The discussion focused on the need to ensure that all communities and the Shuswap Emergency Program are working together effectively.

Action Item: a full-day follow up meeting with representatives from all communities in the Shuswap. Specifically, elected officials, Chief Administrative Officers and Band Managers, and appropriate staff members. It should also include staff from Emergency Management BC, the First Nations Emergency Services Society, and fire departments. Please refer to Appendix II for the objectives, outcomes, and draft agenda of this meeting.

Lead: Cliff Doherty and Darcy Mooney

Emergency Planning and Preparedness for the Shuswap DRAFT AGENDA February 2014 or sooner, date to be confirmed Location to be confirmed

Purpose of the meeting:

A discussion and working session with representatives from all communities in the Shuswap and all emergency services and programs to ensure that everyone is working together effectively for community safety.

Objectives:

- Clarify roles and responsibilities in emergency planning and preparedness, what plans and protocols are in place
- Identify the gaps, challenges, and barriers in emergency plans, preparedness and delivery of emergency services, including all of the following:
 - o Emergency plans, protocols and social services
 - o Jurisdictional edge issues with TNRD or RDNO (i.e. Village of Chase within TNRD, and ALIB has communities within both TNRD and CSRD)
 - o Training needs and opportunities
 - o Fire protection and response, and existing service agreements
- Address how to close the gaps, and address challenges and barriers

Outcomes

- Better understanding of roles, responsibilities of Shuswap communities, SEP as well as other organizations
- · Gaps, challenges and barriers identified, and a plan in place to address them
- Working towards end goal of delivering services most efficiently and effectively, and maximizing financial resources, staff and volunteer time

Agenda

- 1. Emergency Planning and Preparedness
 - Presentations on roles and responsibilities, plans in place and capacity
 - By all Shuswap communities
 - Presentations by Emergency Management BC and First Nations Emergency Services Society, clarifying their roles and resources
- 2. Fire Protection Services
 - Clarify and map fire departments, volunteer fire departments, existing areas of jurisdiction and existing service agreements
- 3. Group exercise to identify gaps, barriers and challenges
- 4. Group exercise to identify solutions to gaps, barriers and challenges. Prioritize them and determine action plan.

RE: Shuswap C2C Forum - Emergency Planning and Preparedness Workshop

Wednesday, May 7, 2014 - Quaaout Lodge, Chase BC

On October 24, 2013, a Community to Community (C2C) forum was held at the Quaaout Lodge. The forum hosted community representatives from across the region. The attached report summarizes the purpose, objectives and results of the event.

The C2C forum was intended to enhance communication and strengthen relationships between various government neighbours and partners. C2C forums help to develop close working partnerships, including the provision of shared services and joint collaboration on emerging issues.

It was determined (as part of the C2C forum) that sharing current emergency planning (both in preparedness and response) with the various partners at a follow up session would be the first step toward the goal of working together to deliver services more efficiently and effectively throughout the region. The objectives of a follow up session would be to learn about the roles and responsibilities of various partners and discuss any gaps, barriers, challenges, and successes within the individual emergency programs and where possible, collaborate on ideas and solutions.

The Shuswap Emergency Program invites your participation in this worthwhile discussion to be held at 9:30 AM, Wednesday, May 7, 2014, at the Quaaout Lodge. Please RSVP by email to the Shuswap Emergency Program at csemchuk@csrd.bc.ca by Wednesday, April 16, 2014.

Once agencies and organizations are confirmed, a more detailed agenda will be provided as the C2C Emergency Planning and Preparedness Workshop date approaches.

Sincerely,

Cliff Doherty

Cize Doberty

Shuswap Emergency Program Coordinator

Encl.

Thompson Regional Hospital District

TRHD Approves 2014 Budget, Cost-Sharing

For Immediate Release (April 1/14): The Thompson Regional Hospital District Board of Directors has approved its 2014 annual budget, and approved cost-sharing with the Interior Health Authority (IHA) for various major equipment and renovation upgrades.

The 2014 annual budget will see an increase of \$21 per household on average. The average household in 2014 will pay \$126.55 as compared to \$105.60 in 2013.

"This increase is part of a larger tax strategy in anticipation of the Hospital District contributing \$100 million towards the Royal Inland Hospital (RIH) Master Plan," said TRHD Chair Peter Milobar. "This includes the construction of the RIH Clinical Services Building and Parkade, and the Surgical Tower."

The three-year tax strategy, which wraps up at the end of 2014, employs building a reserve in the next few years and then borrowing the balance of funds once the project is complete.

The TRHD also approved cost-sharing at 40 per cent with Interior Health for various major equipment and renovation upgrades. The total sum for the upgrades is \$7.2 million, of which the TRHD will pay approximately \$2.6 million. The list includes six renovation projects, including a renovation of the Anatomic Pathology Unit at RIH, and six pieces of equipment, including a Gamma Camera for RIH and a Nurse Call for Ponderosa Lodge in Kamloops.

ACCESSIBILITY - INDEPENDENCE - TRANSPARENCY - PERFORMANCE

March 21, 2014

Ref.: 14-49

To: Mayors and Councillors

Chairs and Directors of Regional District Boards

Chairs and Directors of Greater Boards

Greetings to All:

Re: Annual Service Plan for 2014/15 - 2016/17

I am pleased to advise you that the Auditor General for Local Government annual service plan for the period 2014/15 - 2016/17 will be released on our website www.aglg.ca at the end of day Monday, March 24.

The Auditor General for Local Government Act requires that an annual service plan be published prior to commencing performance audits during the next fiscal year.

The annual service plan informs local governments and citizens of our goals, strategic objectives and the actions we will undertake over the next three years. Publishing our plans serves to make us accountable for the tax dollars we spend.

This plan builds on our previous plans and the year of hard work during which we launched 18 performance audits of local governments on three topics. We continue to work toward the same four goals and six audit themes we identified last year through extensive consultations.

Over the past year, our performance audit work has enabled me to visit 18 local governments in communities across the province. I very much appreciate the warm welcome I received and the productive exchange of ideas and views. This has added significantly to our understanding of the diverse circumstances of British Columbia's local governments and has positioned us well for our future performance audit work.

Looking ahead, we will continue to emphasize strong, productive and respectful relationships with local governments. We will continue to provide accessible information about our audits such as our protocols and key decision points for local governments participating in a performance audit.

Phone: 604-930-7100

Fax: **17**604-930-7128

I want to thank the local governments we have worked with and the hundreds of British Columbians who have taken the time to let us know their concerns and priorities. This information is valuable as we strive to play a constructive role in assisting local governments to carry out their operations with economy, efficiency and effectiveness.

I continue to be impressed with the level of commitment, passion and dedication local governments demonstrate in serving their communities and furthering the public interest.

I hope you will take the opportunity to read our service plan and share your feedback and comments with us. Please send your comments to <u>info@aglg.ca</u> or call the office at 604-930-7100.

Best regards,

Basia Ruta, CPA, CA

Auditor General for Local Government

pc: Chief Administrative Officers

Village Of Chase Administrative Report

TO:

Mayor and Council

FROM:

CAO

DATE:

April 8, 2014

RE:

Auditor General for Local Government - Annual Service Plan

for 2014/15 and 2016/17

The Auditor General for Local Government was established in 2013 under legislation specific to this role, with the intent being that this office would assist local governments in maximizing taxpayers' dollars and while providing a high level of accountability to taxpayers.

The Auditor General for Local Government Act requires that their annual service plan be published prior to commencing performance audits during the next fiscal year.

Audits are performed based on various phases and utilizing specific criteria. Attached is a table showing the phases of a performance audit. To date, several communities have been identified for audits relating to achieving value for money in operational procurement, those being Vernon, Delta, Revelstoke, Comox Valley Regional District, Fraser-Fort George Regional District and the District of West Vancouver.

Audits focusing on Local Government Performance in Managing Policing Agreement and Police Budget Oversight will include Port Alberni, Surrey, Merritt, Williams Lake, New Westminster and Victoria.

Capital Procurement Projects and Asset Management audits will be undertaken in Cranbrook, Rossland, Sechelt, District of North Vancouver, Campbell River and Dawson Creek.

The goals of the upcoming audits include providing local governments with objective, helpful advice, providing accessible information to local governments, stakeholders and the public, responding effectively and in a timely way to emerging issues affecting local governments, and setting the foundation for the success of the operations of the auditor general for local governments.

RECOMMENDATION

That the report from the CAO regarding the Auditor General for Local Government Annual Service Plan for 2014/15 and 2016-17 be received for information.

Respectfully submitted,

Joni Heinrich, CAO

PHASES OF AN AGLG PERFORMANCE AUDIT

	INITIATING THE AUDIT	
Phase Activity	Action Required by Local Government	Considerations for Local Governments
Notification letter Protocol document Information on website Confidentiality requirements	Formally acknowledge start of audit Agree to confidentiality requirements	Who should be the key contact on the audit: Who should formally acknowledge the audit and agree to confidentiality requirements?
	SURVEY (PLANNING)	
Gather information on lines of enquiry Assess auditability and audit worthiness Scope the audit Determine criteria for audit	 Assist audit team, as requested, in gathering information Acknowledge scope and suitability of audit criteria 	Who should acknowledge scope and suitability of audit criteria?
	EXAMINATION	
Periodic audit team meetings with local government staff Collect evidence against criteria Fact clearance/debriefing with local government staff	Assist audit team, as requested, in collecting evidence Participate in fact clearing and key findings debrief	Who should participate in the fact clearing debrief?
	REPORTING	
Draft audit report may be shared with local government for review Proposed final audit report submitted to the local government for comment (45 day review period) Revised proposed final audit report prepared including summary of local government's comments and submitted to Audit Council for comment Final audit report given to local government prior to publication	Provide comments on draft audit report, if provided Provide comments on proposed final audit report Provide comments on proposed final audit report	Who should review and provide comments on the draft audit report? Who should review and provide comments on the final audit report?

Subject: New Ice Cream Bicycle Business

Hello,

My name is Amy Clowater and my family and I recently moved here from Edmonton. I am a 41 year old married Mom that was looking for a small business idea that Chase had not had yet. After a little research and calling around, I came up with an Ice Cream Bicycle. If anyone is around my age, they may remember the Dickie Dee bikes in the 70s and 80s, this is the same style of bike I had in mind. The business would be mobile but based from my home. The bicycle is human powered, no motor. I would sell pre-packaged ice cream, popsicles, freezies, water and a few cold beverages (to see if they sell). My plan is to bike up and down town streets, selling ice cream the old fashioned way. I do have a bike bell on my bike but that is the loudest I will be. I will also operate probably no earlier than 10am and no later than 9pm and perhaps 10pm during a festival event. I would like permission to bike down by the beaches and parks in town as well, as I am not motorized. I will not ride down main street and stay away from the main highway, I am not trying to take business away from existing ice cream shops, just create some friendly competition. I did check with Interior Health and as long as I am selling closed, prepackaged items, I do NOT need a license.

My bike also comes with two battery powered LED lit signs. They are approximately 4 feet in height. They attach to my bike for towing or can be put out and used alone as advertising. I was wondering if these can be used on my bike (it was designed to look like a single unit with the signs attached) and also separately by myself or for me to lease out to other businesses. They are thin lightboards, you open the glass and put a movie style poster in. I can take pictures if needed or bring my bike by to see. I would likely use the signs during a special event or festival, I would NOT be towing them around on a regular basis, as they just add weight for me. The bike is my main business idea, the signs are simply for advertising, they are very professional looking.

Thank you for your time and I look forward to the Villages response.

Sincerely,

Amy C Clowater 250-679-3323 1122 Thompson Avenue Chase, BC V0E1M0
