16 September 2016.

Dear Mr. Berrigan,

I just spent the summer in Chase and I wanted to let you know that it was a wonderful place to be. Greg and Lisa at the Overlander made a home away from home for me that was most appreciated. I especially enjoyed watching the children. They were friendly and free. Do they know how lucky they are.

All in all, it was a most delightful stay.

Sincerely,  
Marian St. Pierre

## **VILLAGE BRIEFS**

**Dog Licenses** – 2017 dog licenses are now available for purchase at the Village office. This is especially timely for those who temporarily vacate to warmer climes for a while...

**Water Billing** - As everyone is now aware, the Village's new water rate system is based on water consumption and bills went out in August. If you have any questions regarding your water consumption, or notice on your bill that there are unusual 'spikes' in your usage that you can explain, please contact the Village office at 250.679.3238 to speak with our staff.

**Business Licenses** – 2017 business licenses will be available starting in January. Everybody receiving money for a good or service require a business license and this includes home based businesses.

**Rain Barrels** – Rain barrels are available at the Village office for \$60 + tax.

**Budget** - Council will begin discussing the 2017 budget in the next few months and your input is welcomed. Please if you have ideas, input, suggestions or concerns, contact our office at 250.679.3238 or email to [chase@chasebc.ca](mailto:chase@chasebc.ca)

The Village of Chase is working with an engineering firm to get tenders for Phase II of our **Sewer Treatment** facility upgrade. The Village wants to ensure that the terrible odour everyone experienced in past years in the spring will not occur in the future.

Planning will begin soon for the annual Chase **Country Christmas** events to celebrate what is so special about Chase during the winter/holiday season. Are you interested in helping out with the parade, or other events? Please call the Village office at 250.679.3238 if you have talents you would like to share with the community!

If you notice construction equipment in and around **Aylmer Road**, please know there is a sewer line installation being installed as part of a residential development. Contact information for the contractor will be posted in the area but as always if you have questions or concerns please contact the Village Office 250.679.3238 or email to [chase@chasebc.ca](mailto:chase@chasebc.ca)
