

Free Disposal Day & HHW Round-Up Events - 2017

Residents may bring **ONE FREE LOAD PER HOUSHOLD** to their local Eco-Depot or Transfer Station on event day. One load is defined as a maximum of one 8 foot pick-up truck box OR one 8' foot trailer. Residents can save money on materials normally charged disposal fees for such as cooling appliances, tires on rim, mattresses, furniture, demolition/construction waste, wood waste, roofing shingles, and household garbage.

The free load on Free Disposal Day applies to residential customers only. Regular disposal fees apply for all business/commercial loads.
