

Village of Chase Summer Day Camp Recreation Program Employment Opportunities

The Village of Chase provides a Summer Day Camp Recreation Program in July and August, for children between the ages of 4 and 11 years. The Summer Program consists of weekday 'day camps', full of a wide variety of activities and fun!

The Village of Chase is accepting applications from mature and responsible individuals who have been enrolled in full time schooling in 2017/2018 and intend to return to full-time studies in September 2018. The Summer Day Camp Recreation Program requires one Program Leader and one Assistant Program Leader. In addition the program requires 5 play leaders and one wading pool supervisor.

The Program Leader plays an integral role in the supervision of the other Summer Program staff members, being responsible for:

- Developing and providing games and other events for children at the Canada Day celebrations
- Assisting in the evaluation of applications and ultimate selection of an assistant program leader as well as play leaders and wading pool supervisor
- Developing programs (day camp activities) for children between the ages of 4 and 11, to include literacy, sports, culture and arts
- Assist members of the Skatepark Society in the development of activities and learning opportunities for the Chase Skatepark
- Provide guidance to the Assistant program leader and the play leaders and pool supervisor

The Assistant Program Leader provides support to the Program Leader and assists with the development of the various activities for the 'camp days' during July and August, under the guidance and with the support of the Village staff.

Play Leaders work directly with the Program Leader and the Assistant Program Leader, helping to organize and manage both children's events at Canada Day and leading various activities that have been developed for the children enrolled in the Day Camps.

If you have experience, are a full-time student returning to school in September 2018, love to work with children, and love to plan and implement a wide range of activities for children, please submit your application and list of your qualifications and/or resume by May 25, 2018 to:
