9.3 Thompson Watershed Floor and Debris Flow Disaster Mitigation Project Pages 14-18 Memorandum from the CAO

9.4 Shuswap Tourism Resolution regarding Highways and Active Transportation

At its December 7, 2017 meeting, the Shuswap Tourism Advisory Committee passed the following resolution:

“That the Columbia Shuswap Regional District (CSRD) Board make a resolution to send to the Southern Interior Local Government Association to request that the Ministry of Transportation and Infrastructure incorporate active transportation corridors into all current and future highways projects; AND

That the Chair of the CSRD write a letter to the Ministry of Transportation and Infrastructure to request that said Ministry consider the incorporation of active transportation corridors into all current and future highways projects.”

This is being shared with Mayor and Council for two reasons:

1. The Village of Chase is embarking on an Active Transportation Planning project and there are highways improvements scheduled for the Trans Canada Highway that runs by Chase; and
2. The resolution if passed by the CSRD will be forwarded to SILGA of which the Village of Chase is a member.

Mayor and Council are being asked to receive this item for information.

5. PUBLIC INPUT ON CURRENT AGENDA ITEMS

Karen Bassett of 564 Lakeshore Drive regarding item 9 inquired about the purchase date and amount for the CPR lands.

Mayor Berrigan replied that all queries regarding the CPR lands are available and fall under the Freedom of Information and Protection of Privacy Act and all questions should be submitted to Administration.

Ms. Bassett then questioned why additional costs were being forced upon the Lions Club to engineer wastewater solutions from the splash pad project.

Mayor Berrigan replied that the Lions' project needs to be thoroughly engineered and this includes the wastewater disposal solution. The wastewater cannot go into the sanitary

sewer system as it was not designed to handle peak demands from a splash pad. Furthermore, the price for the project continues to inflate and he will protect the taxpayers from these costs being passed on to them.

Rolly Mockford of 504 Pine Street regarding item 9 inquired why the sewer system cannot handle the splash pad water if it can handle flooding and fire fighting wastewater. He added that the Village spent money buying the Curling Club and the museum and why not the splash pad?

Mayor Berrigan replied that the Curling Club was purchased for \$100,000 and is a \$400,000 asset.

Rachael Jensen of 622 3rd Avenue regarding item 9 inquired about the Lion's splash pad and who's paying for the costs to engineer the wastewater issue. Mayor Berrigan replied that wastewater solutions are part of the project and must form part of the comprehensive engineering for the project.

6. **DELEGATIONS**

Rolly Mockford, President of Citizens on Patrol, discussed the coffee houses and how important they are as a fundraiser for the organization. He also clarified their October 3, 2017 request for a grant-in-aid. Citizens on Patrol will decide on re-applying for a grant-in-aid at their next executive meeting.

3. **UNFINISHED BUSINESS**

3.1 Proposed Splash Pad – Waste Water Discharge to ground - Costs to Determine

Mayor Berrigan provided a brief overview of the situation noting that:

- In order for the Village to protect its sewer treatment plant Council is being asked to consider spending up to \$5600 for some engineering work for due diligence in determining the best way to dispose of waste water from the Splash Pad so that it does not all go into the Village sewer treatment system

Discussion:

- Why can't the water be reused for irrigation in the park?
- Very costly to install holding tanks and piping in order that this can take place – possibility of obtaining grant funding in the future to build this into the waste water portion of the amenity
- These current tests will determine the volume (large or small) of water the ground can absorb from the splash park and how large any rock pits need to be designed to accommodate the waste water

Moved by Councilor Scott

Seconded by Councilor Egely

"That the Village of Chase expend up to \$5600 from its 2017 Parks Operations budget to obtain from the Lions' engineers a geotechnical assessment for waste water to ground in Memorial Park as well as preliminary disposal to ground design options."

RE: Smoke Free Communities

At the November 28, 2017 Regular Meeting, Jeff Conners from Interior Health's Tobacco Reduction team, presented on the latest tools and strategies for reducing tobacco use in communities. Interior communities such as Chase struggle with higher tobacco use rates compared against the provincial average by 6%. Smoking and vaping restrictions in public places is the most effective method in reducing tobacco use, and in reducing exposure to second hand smoke. Local government policy is an important piece to ensuring healthy outdoor public spaces for all. Council has an opportunity to affect smoking patterns in public areas including Village-managed properties such as trails, plazas, parks, beaches, wharves, and recreation/civic facilities.

Mr. Conners concluded his presentation by requesting the following of Council:

"That Council pass a motion for staff to develop a report recommending a smoke-free by-law for Chase."

Re: SILGA Convention – Call for Nominations 2018

As per the Constitution of the Southern Interior Local Government Association (amended 2017), the “Call for Nominations” is now going out to all member Mayors, Councillors, Regional Chairs and Directors who wish to seek a position on the SILGA Executive for the 2018/2019 term. Elections are to be held at the SILGA Convention in Revelstoke on April 26, 2018.

Offices to be filled are President, 1st Vice President, 2nd Vice President and seven Directors. One member of the SILGA board must be an Electoral Area Director of a member Regional District. All positions are for one year. Those presently serving may run for another term if they so wish.

Excerpt from the SILGA constitution regarding new voting procedures:

7.10 The election of Officers to the Executive shall be held at the Annual General Meeting on a first ballot and that of the Directors at Large subsequently on a second ballot. Any candidate that is unsuccessful in obtaining an Officer position on the first ballot may become a candidate for a Director at Large position on the second ballot.

7.11 If, in the election of the Officers to the Executive on the first ballot, an Electoral Area Director of a regional district is elected, the Director at Large positions will then be filled by the candidates with the most votes.

7.12 If, in the election of the Officers to the Executive on the first ballot, an Electoral Area Director of a regional district is not elected, then in the election of the Directors at Large, the candidate - of those candidates that are Electoral Area Directors of a regional district - with the most votes will be elected as a Director at Large and the balance of the Director at Large positions will be filled by the remaining candidates with the most votes. If only one Electoral Area Director of a regional district candidate runs for a Director at Large position, that candidate will be acclaimed.

Deadline for nominations is Monday, February 26, 2018. You will be asked to complete a biography and submit a photo for the printing of the official Nominating Committee Report to be contained in the Convention Package.

The SILGA nomination committee is chaired by Past President Chad Eliason, Salmon Arm.

All those interested in serving are asked to contact Councillor Eliason at 250-804-9874 or by email at chadeliason@gmail.com. All information should be forwarded to both Councillor Eliason and the SILGA office (yoursilga@gmail.com).

Call for Resolutions for 2018 Convention

The SILGA Annual General Meeting and Convention is scheduled to be held in Revelstoke from April 24th to April 27th, 2018. The SILGA Constitution requires that resolutions to be considered at the Annual Meeting are to be received by the Secretary-Treasurer no later than 60 days prior to this meeting. Friday, February 23, 2018 will be the deadline for receipt of resolutions.

If your local government wishes to submit a resolution for consideration at the 2018 SILGA Convention, please forward by email your resolution to yoursilga@gmail.com. Any background information on the resolution would be helpful. Each resolution should be endorsed by the sponsoring Member's Municipal Council or Regional Board. The resolution should be relative to regional issues and should not pertain to a finite local interest.

If you do not receive a confirmation email regarding your resolution, please contact the SILGA office at 250 851 6653.

For information on how to properly write a resolution please refer to the UBCM website below.

<http://www.ubcm.ca/EN/main/resolutions/resolutions/resolutions-procedures.html>

Resolutions not received by February 23rd will be considered late resolutions and must go through the following procedures to be considered at the AGM.

Late Resolutions

- (1) Resolutions submitted following the expiry of the regular deadline noted in section 10.4 shall be considered "Late Resolutions" and shall comply with all other submission requirements, except that a copy of the resolution shall be provided to SILGA by noon on the Friday preceding the date of the Annual General Meeting. The resolutions committee will meet on the Tuesday preceding the Annual General Meeting to provide recommendations as to whether the late resolution(s) should be brought to the Members for inclusion in the resolution debate. All late resolutions must be adopted by a Special Resolution of the Member Representatives in attendance at the Annual General Meeting to be included in the discussion.
- (2) Late resolutions will be reviewed by the Resolutions Committee prior to the Meeting and only those of a subject matter which could not have been submitted by the normal deadline date outlined in section 10.4 will be considered.

SILGA *Southern Interior Local Government Association*

- (3) Late Resolutions shall be available for discussion after resolutions printed in the resolutions book have been considered.
- (4) Late Resolutions admitted for plenary discussion shall be dealt with in the order presented in the Late Resolutions report.
- (5) In the event that a late resolution is recommended to be admitted for discussion, the sponsoring member of the late resolution shall produce sufficient copies for distribution to the Members at the Annual General Meeting.
- (6) The Late Resolution will, after reading, be properly before the meeting, and the regular procedures for handling resolutions will apply.

Memorandum

Date: December 21, 2017
To: Mayor and Council
From: CAO
RE: Thompson Watershed Flood and Debris Flow Disaster Mitigation Project

A community to community meeting is being held Wednesday February 14, 2018 in Kamloops for all local and First Nations governments, elected officials and applicable staff members to initiate a risk assessment process for flood and debris flow in the Thompson watershed. The risk assessment process will come under the National Disaster Mitigation Program a federal program that assists communities to plan for disasters in order to become more resilient.

The federal government has been realizing that we are all facing increasing disaster risks due to climate change. Knowledge that is up-to-date and accessible will not only help governments, communities and individuals to understand flood risks and employ effective mitigation strategies to reduce the impacts of flooding, but will also further discussions on developing a residential flood insurance market in Canada.

Mayor and Councilors are being asked to indicate their interest in attending this meeting. The CAO will be attending as will the Manager of Public Works and the Corporate Officer/Planner. Costs for administration members to attend is budgeted.

A resolution of Council is required for the Village to cover costs associated with the attendance of Mayor and Council.

Respectfully submitted,

Fraser Basin Council

Agenda

Subject: Thompson Watershed Flood and Debris Flow Disaster Mitigation Risk Assessment

Dear Mayor Berrigan and council:

Elected leaders and emergency management and/or planning and development staff from your government are invited to attend a **community to community meeting to initiate a risk assessment process for flood and debris flow in the Thompson watershed.**

Local and First Nations governments from the entire Thompson River Watershed are invited to participate, from 100 Mile House and Clearwater in the north, Sicamous in the east, Enderby and Lumby in the south, to Lytton and Clinton in the west. Please refer to enclosure 1 for the project summary, scope, budget and timeframe; enclosure 2 for a map of jurisdictions within the Thompson watershed; and enclosure 3 for a draft agenda for the meeting.

When: 10:00AM to 3:00PM, Wednesday February 14, 2018 (lunch will be provided)

Where: Kamloops, BC (location to be determined)

Please advise me by email msimpson@fraserbasin.bc.ca with who will participate on your government's behalf by February 7, 2018.

Yours truly,

Mike Simpson, MA, RPF
Senior Regional Manager

Enclosure 1: Project Summary
Enclosure 2: Thompson Watershed map with Jurisdictions
Enclosure 3: Draft agenda for Community to Community Meeting

Thompson Watershed Flood and Debris Flow Disaster Mitigation Project Project Summary as at December 6, 2017

Project description

The project will undertake a watershed-wide risk assessment of flood and land/debris flows covering the entire Thompson River watershed. The risk assessment will identify flood hazards; potential impacts; and community and infrastructure vulnerabilities as well as the overall flood risk profile for the area. The project will compile existing information on any risk assessments undertaken in the past 15 years, and complete any missing information to have a consistent approach across the entire watershed of regional scale. It will also identify where more advanced flood mapping or mitigation planning is completed or underway.

This project will bring together representatives of large cities, small municipalities as well as rural areas and First Nations, identifying common risks and opportunities to work together across an entire watershed. It will raise awareness of all risks in the watershed, enabling mitigation planning and action to address issues and hopefully prevent the magnitude of future emergencies.

This project is part of the greater National Disaster Mitigation Program which has four streams: Stream 1 Risk Assessment (this project); Stream 2 Flood Mapping; Stream 3 Mitigation Planning; Stream 4 Investments in Non-structural and Small Scale Structural Mitigation Projects.

Project Location – the entire Thompson watershed, inclusive of the North Thompson and South Thompson, to the confluence with the Fraser at Lytton. The project is administered out of Kamloops.

Who Is Invited to be Involved – Local governments (municipalities, regional districts) and First Nations within the entire Thompson River Watershed, from 100 Mile House, Canim Lake and Clearwater in the north, to Enderby, Lumby and Splatkin in the south, Sicamous in the east, and west to Clinton, Spence's Bridge, Lytton and Nlaka'pamux territory, as well as provincial and federal government agencies. Fraser Basin Council is the project lead and facilitator.

Proposed Process (draft, in brief) – communicate with all local governments and First Nations, convene a forum to initiate the project, strike a Thompson Watershed Disaster Mitigation Steering Committee, develop a terms of reference, identify existing information on risk assessments and flood mapping, issue a request for proposals, hire a qualified professional that reports back to the committee. Prepare and submit annual funding applications, to apply for the next stage of work in different geographic areas.

Project budget - \$600 000

Project duration – 1 year, 4 months; completion March 2019

Mayor and Council,

Village of Chase.

Dear Mayor and Council,

Good morning, my name is Janice Winfield and I am writing this request on behalf of Team Chase. Most of you are probably aware of Team Chase and what we do in our community, for those of you who do not, Team Chase is a group of dedicated women from Chase and surrounding area that have over the last several years (since 2004) raised significant funds (some years an excess of \$10,000.00) annually for the CIBC Run for the Cure. Team Chase also represent Chase in the Kamloops CIBC run for the Cure every fall.

Team Chase currently plans, organizes and executes 2 major yearly fundraising events in support of the CIBC Run for the Cure. These are;

- The Pink Ribbon Classic golf tournament held in Chase every May
- A Tea and Fashion Show held in Chase in September

We are applying for a **Grant in Aid** from the village, to cover the hall rental costs of \$274.50, for our Fashion Show on September 23, 2018. We are a non-profit organization under the umbrella of the Chase Festival Society. Team Chase is looking to rent the hall for our fall tea and fashion show, as mentioned earlier this event is one of 2 major charity fundraisers that we do each year. We have held our fashion show at the community hall for the last 3 years, it has been wonderful to have all the extra space. The extra space has allowed us to invite local business vendors to join us and their participation further enhances our already very popular and successful fashion show.

Thank you for your consideration in this matter.

Dear Mayor, Council, and Staff

On behalf of the Chase & District Chamber of Commerce, I'd like to formally invite you to our Annual General Meeting being held at U-Thi Sushi & Grill on January 17, 2018 at 5:30pm for the installation of the new Board of Directors.

I'd also like to extend a special invite to Mayor Berrigan to administer the oath of office for our directors again this year. In gratitude, we'd like to offer a dinner ticket to the event.

Dinner will be a Japanese & Western Canadian Buffet for \$25 per person which will include coffee, tea and/or soda. Dinner tickets must be purchased by January 15, 2018 and are available at the Chamber Office.

Join us as we celebrate the successes of the Chamber this past year and share with our members the exciting plans for the upcoming year!

Sincerely,

Ali Maki, Manager
Chase & District Chamber of Commerce

Dear Local Governments of British Columbia,

With cannabis sales becoming legal in 2018, there must be a formal agreement that will divide the tax revenue on cannabis sales in a fair and equitable manner. Current discussions regarding revenue sharing involve the Federal and Provincial governments with no inclusion of local governments. Ultimately, the legalization will entail additional costs for local governments both in social and policing costs. A Federation of Canadian Municipalities (FCM) paper is stating that the impact may affect policing, fire services, building codes, city planning, municipal licensing and standards, public health, social services, communications, law, etc.

City of West Kelowna Mayor and Council is requesting your support, by writing to the Province to lobby them to agree to 50% of the provincial share of the cannabis tax sharing formula be provided to local governments. This is an adequate and equitable share to help support costs and services incurred by local governments.

Thank you for your consideration.

Sincerely, on behalf of Council,

Doug Findlater
Mayor
