4. DELEGATIONS

Sgt Heebner noted the last report he gave to Council was in August 2015 and that this report reflects matters for the entire year. This report has been attached to the Agenda package and available for viewing by the public.

In response to Council questions he noted that staffing of the Detachment is short 3 officers but there is a shortage of staffing in all Detachments. Education does seem to be

having a positive effect on traffic slowing in lanes going both directions when passing emergency vehicles.

Moved by Councillor Scott

Seconded by Councillor Egely

“That Village of Chase Council receive the report from Sgt Heebner for information.”

5. UNFINISHED BUSINESS

5.1 Canada 150 Grant Program

The CAO reported that Administration did apply for the Canada 150 Grant as per Council’s direction, however the application was not successful.

5.2 530 Aylmer Road – Proposal to Build Dwelling

The CAO noted the zoning amendment is not required and the receipt of legal advice has confirmed this.

Moved by Councillor Maki

Seconded by Councillor Scott

“That Village of Chase Zoning Bylaw No. 683 – 2006, Amendment Bylaw No. 813 – 2015 be abandoned.”

CARRIED

#2016/01/26_006

5.3 Request for Garbage Pickup – Strata Subdivision West End of Aylmer Road

This is a safety concern for the garbage truck, particularly in winter with the roadway the way it is currently configured. Administration will contact the strata property owners to see if they are willing to upgrade the roadway at their expense and, if so, advise them of the next course of action.

Moved by Mayor Berrigan

Seconded by Councillor Scott

“That the Village’s solid waste collection for the strata properties at the West end of Aylmer Road continue to be collected outside of the strata driveway area.”

CARRIED

OPPORTUNITY FOR THE PUBLIC TO DISCUSS MUNICIPAL MATTERS

Blaine Covington

- On January 10, 2016 at approximately 9:15 a.m. he saw a pickup speeding along Pine Street doing about 100 km/h. Wanted to know when stop signs would be installed.
- Mayor Berrigan - installation was in progress.
- Sgt Heebner – important for residents to pass this information to the RCMP so they are aware of the best times to apply resources. Pine Street is not where the worst offenders are so resources are often busy monitoring those roadways used most often.

Graham Bell

- Has experience with developers in other communities and without properly trained staff developers may take advantage.
- Queries if Council has final approval of development.
- Has no doubt as to CAO's competence but he has seen Chase taken advantage of in the past and that by giving authority of approval to one person is not appropriate. Council was elected to make those decisions.
- Council has usurped its position as they need to have final approval.
- Mayor Berrigan – Council has confidence in Administration and, if problems arise, Council will have to address that with the public.

Len McLean

- Would like to see another way for public to have input into Agenda items before they are raised so members of the public are able to have their say prior to a decision being made although he is not sure what is the solution.
- The opportunities to speak are great and realizes allowing people to speak on each item is not practical.
- This item will be added to Council Workshops as a discussion item.

RELEASE OF PREVIOUS IN CAMERA ITEMS

That the renewal of the Criterion Pictures Contract for 2016 at a cost of \$1,200.00 plus taxes be released to the public.

That the Council Liaison Appointments for 2016 be released to the public.

That the matter of Council engaging in a Strategic Planning workshop in February 2016 be released to the public.

7. IN-CAMERA

Moved by Councillor Egely

Seconded by Councillor Maki

“That Council recess to an In Camera meeting pursuant to Section 90 (1) of the Community Charter, paragraph (c) regarding labour relations or other employee relations and (e) regarding the acquisition, disposition or expropriation of land or improvements.”

CARRIED

Village Of Chase Administrative Report

TO: Mayor and Council
FROM: Deputy Corporate Officer
DATE: February 9, 2016
RE: Waterworks Bylaw

ISSUE/PURPOSE

This Bylaw will allow the Village to enforce more rigorous watering restrictions to promote responsible stewardship when water levels are low in the community and surrounding areas.

HISTORY/BACKGROUND

On August 11, 2016 Council directed Administration to amend Waterworks Bylaw No. 718-2010 so stronger restrictions could be placed as needed during the peak usage periods between May 15th and September 30th of each year.

The Bylaw received first, second and third readings on September 8th, 2015. On October 13th the resolution to adopt the Bylaw was unanimously defeated, third reading was rescinded and it was referred back to Administration for further amending.

The Bylaw has now been amended to make it clear that the restrictions pertain to domestic users ONLY. Domestic user is defined in Village of Chase Waterworks Bylaw No. 718-2010 as:

“any Owner of land connected to the Waterworks System using water for residential household requirements, sanitation, fire prevention, or lawn and garden irrigation purposes”

RECOMMENDATION

Administration is recommending Bylaw No. 810 – 2015 to amend the Village of Chase Waterworks Bylaw No. 718 – 2010 be given third reading.

Respectfully submitted,

Original Signed
Tammi Pretty, Deputy Corporate Officer

**VILLAGE OF CHASE
Bylaw No. 810 - 2015**

A Bylaw to Amend the Village of Chase Waterworks Bylaw No. 718-2010

WHEREAS the Council of the Village of Chase has adopted the Village of Chase Waterworks Bylaw No. 718-2010;

AND WHEREAS the Council of the Village of Chase deems it necessary to amend Bylaw No. 718-2010;

NOW THEREFORE, the Council of the Village of Chase in open meeting assembled enacts as follows:

1. This Bylaw may be cited for all purposes as "Village of Chase Waterworks Bylaw No. 718 - 2010, Amendment Bylaw No. 810 - 2015".

2. Village of Chase Waterworks Bylaw No. 718 - 2010, is hereby amended by changing item 9.2 to read as follows:

9.2 Every domestic user that sprinkles or irrigates lawns, gardens or fields using water supplied from the Waterworks System shall follow watering restrictions as specified by Council resolution or, without such resolution, at the discretion of the Supervisor of Public Works, Chief Administrative Officer or designate, as follows:

Administrative Report

TO: Mayor and Council

FROM: Director Financial Services

DATE: 28 January 2016

RE: Quarterly financial report to 31 December 2015

ISSUE/PURPOSE

For council information

DISCUSSION

The December quarterly financial report is relatively accurate. There are always a few areas which will fluctuate while year end and audit are completed. A substantial adjustment will be made for Amortization in the water treatment area when the numbers have been finalized. But the general picture is reliable.

Tax revenues are slightly higher than budgeted, as penalties for unpaid taxes are running higher than last year. This may be an indication that times are a bit tougher out there than they were last year. We have been audited by the School Tax people and I am now investigating some discrepancies from prior years that may require additional payments.

Grant revenues showed a significant increase this year as the Small communities fund came in with an extra \$158,000. The funding formula was changed for this year and will gradually roll forward for the future as the population changes. This change is reflected in future budgets.

Although Administration appears to be going over budget, the primary cause is a large increase in the administration salaries and benefits. This is offset by reductions in the allocation of salaries and benefits to other departments. The problem was caused by an error in set up which we have corrected for 2016. The overall salaries budget is running under budget by \$50,000 as one position is not yet filled for the water person. Contract services are filling our needs in this area and were \$15,000 over budget. Future budgets have been amended to reflect this situation.

Fire Service budget was granted an extra \$5,000. With increase in volunteers they have incurred extra costs for uniforms and supplies that are higher than usual. Supplies exceeded revised budget by \$11,000 and remuneration by \$5,000.

Rescue revenues are below budget and expenses slightly over budget.

Planning and subdivision work was well under budget.

Common services are well under budget primarily due to wages allocated elsewhere and vehicle maintenance was slightly under budget.

Roads are well under budget with \$55,000 unexpended.

Parks was \$27,000 over budget primarily for landscaping and planting. The funds were covered from unexpended roads budget, and future budgets have been adjusted to reflect this transfer.

Parks programs revenues are under budget due to the loss of federal grant funding and there were few donations received. Program revenues did decline slightly and expenses were about the same, leading to an \$8,000 larger deficit.

The arena is under budget due to the grant not being fully required for the 2015 year. Funds were issued in January under the contract services agreement. The \$45,000 grant from the TNRD for improvements to the arena are now in progress and are 1/3 completed.

The community hall appears to be over budget, but the excess spending was for upgrade work not capitalized and funded from the provision for capital improvements.

Water distribution operations incurred extra costs of \$17,000 related to maintenance of the meters which were nonfunctional. Water treatment is significantly under budget due to amortization not claimed. The numbers are not yet available but will significantly change this total cost.

The waste water budget did not earn any grant funds during the year as the project did not proceed. This also caused anticipated expenses to be lower and yielded a reduced surplus

The overall general fund was budgeted for a surplus of \$45,000. After adjusting for an extra \$158,000 in revenue and deducting the \$280,000 for short term borrowing not taken, the general fund has a cash deficit of \$75,000, almost exactly what the adjusted budget would have been.

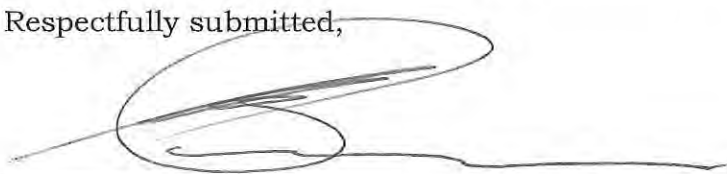

The water fund will require additional amortization estimated at \$75,000 and will have a final deficit of about \$308,000 which is about \$100,000 less than expected.

The waste water fund did not complete the capital project which significantly reduces cash outflows and increased the projected surplus by \$40,000

RECOMMENDATION

Subject: Federal Government 2016 Pre-Budget Consultation

Dear Mayor Rick Berrigan and Council,

The Federal Government will be tabling its first budget in March. That budget will be built on the input of Canadians from all across the country.

Over the parliamentary holiday break Finance Minister Bill Morneau and MPs have been meeting with Canadians from all across the country who are on the front lines of our economy, every single day. The government wants input so that it can make the right kind of investments for all Canadians.

During the election campaign, I heard from many North Okanagan Shuswap municipal, business and community leaders about projects waiting for funding. I wanted you to know that with the Federal government's commitment to "kick-start" the economy with infrastructure spending, there may be an opportunity for our riding. I am providing these links for more information, in the event that you wish to participate in the process.

Honours and Awards Secretariat
Province of British Columbia

Nominate an exceptional citizen for the Province's highest honour
(disponible en français en bas de page)

VICTORIA – Nominations are now open for the Order of British Columbia, the Province's highest honour for individuals who have served with great distinction or excelled in any field.

British Columbians are encouraged to consider and nominate inspiring individuals who have left a lasting legacy in their respective fields. The Order of British Columbia is one way of rewarding and recognizing those British Columbians whose extraordinary contributions and achievements have contributed to a better quality of life in the province and beyond.

"As the Province's highest honour the Order of British Columbia represents generosity of spirit, dedication and outstanding achievement," said Judith Guichon, Lieutenant Governor and Chancellor of the Order of British Columbia. "I encourage everyone to reflect on those in their community whose leadership, hard work and extraordinary accomplishments serve to strengthen the integrity of our province and to recognize these individuals by nominating them as a member of the Order of British Columbia."

Since the Order of British Columbia was established in 1989, the Province has recognized 386 British Columbians from a variety of sectors including the business, volunteer, arts and sporting communities. Previous recipients include:

- Baljit Sethi, advocate for immigrants and for equality (2011)
- Dr. Robert Thirsk, astronaut, mechanical engineer and physician (2012)
- George Bowering, First Poet Laureate of Canada and historian (2004)
- Ellen White, social activist and medicine woman (2011)
- Diana Krall, jazz vocalist and pianist (2000)
- Trevor Linden, NHL hockey player and humanitarian (2003)

"I'm still processing the enormous honour of receiving the 2015 Order of B.C.," said Tamara Taggart, news anchor at CTV Vancouver and 2015 inductee to the Order. "Whether it's in the public eye or behind the scenes, there are so many people working hard every day to make their communities and our province a better place to live. I think it's important to make sure those kinds of contributions are recognized – and that's what the Order is all about."

"Receiving the O.B.C. was a pivotal moment in my and my family's life," said Lorne Segal, president of Kingswood Properties Ltd., founding chair of We Day Vancouver and 2014 inductee to the Order. "However, it comes with a price tag – the implicit requirement to continue giving back and hopefully, inspire others to do the same. It has motivated me to do more, try harder and I wear it with great pride!"

An independent advisory council, chaired by the chief justice of British Columbia, will consider

nominations. Successful nominees will be appointed to the Order at a special ceremony at Government House in Victoria.

Any B.C. citizen can submit a nomination. More information, nomination forms and submission instructions are available online (www.orderofbc.gov.bc.ca), by email (bchonoursandawards@gov.bc.ca), or by telephone (250 387-1616). All nominations must be submitted to the Honours and Awards Secretariat office in Victoria by **Friday, March 4, 2016**.

Dear Mayor and Council, Village of Chase,

Buy Local BC is happy to announce our new project, the first ever Buy Local! Buy Fresh! Thompson map. This well established model has been successfully used for over twelve years in other parts of Canada including Ontario, Newfoundland and on Vancouver Island here in British Columbia. We are very pleased to bring this program to the BC Interior for the fourth consecutive season. Our annual Buy Local! Buy Fresh! Okanagan map in partnership with the Okanagan Greens Society has been well received in the Okanagan Valley since 2013, and has proved to be an extremely cost-effective direct marketing tool for local farms, restaurants, and retailers to reach both residents and tourists alike. In other regions that are already using this model, the regional and local governments and agencies are key participants in the project, and directly fund a significant share of the map production budget. We are asking the Village of Chase for your support.

Purchasing local, farm fresh food has become increasingly important with regional consumers. The Buy Local! Buy Fresh! map is the centrepiece of our annual campaign to highlight local food and where to find it in the community. The map showcases our region's abundance of local farms, food producers, and promotes local food businesses and events. The new Thompson Valley map covers the entire region from Kamloops to Salmon Arm, the Nicola Valley and the North Thompson. Our full-colour map will be available for free at regional Visitor Centres and busy destinations throughout the Thompson Valley. Sample copies of our current Okanagan map are included for you.

Our annual campaign includes the free valley-wide printed map showing locations of farms and advertisers, an online map and directory of participants, a parallel signage campaign for farms and food products, and the option to participate in our booth at local events this season. Our Twitter channel @BuyLocalBC has grown in popularity and we are always working on new short videos featuring our farmers and participants. Visit the campaign website www.buylocalbc.org for current farm listings, more information and links, and new video releases.

The map is organized by location, and so it is important that the names of the districts and municipalities are included on the map. Following this model, we use the names of the regional districts to organize the farm listings, and the logos for sponsor municipalities are printed on the map cover. For a special rate of \$600 (less \$100 discount by Feb. 29, 2016), we are offering both a cover logo space and a 1.5"x3" ad space on the frame of the map page to promote local events or agricultural programs. NEW for 2016, we offer municipalities an extra option to sponsor a package of farm listings on behalf of their local farms. Larger ad space is also available as an option. We would be happy to discuss which options best suit the economic development or tourism focus for your area. We have limited cover sponsorship spaces to fill and would like to build an on-going relationship through this project.

The Buy Local BC Initiative is aimed at strengthening links between local farmers, restaurants, retailers and consumers across the British Columbia Interior. Registration runs through March 31, 2016, and we are working toward an inaugural 2016 Thompson Valley edition for the summer season. Visit buylocalbc.org for more information. To help us launch this new initiative, please send an email or feel free to call us at (250) 869-7248.

With thanks for your support,

Re: Skmana Ski & Snowshoe Club Donation

It is with very sincere appreciation that I write to thank you for your very generous donation to the Ski & Snowshoe Club .

The \$ 1,500 grant in aid has lifted our hearts and cash reserve substantially. Thanks to the Village we are now within reach of achieving our required reserve to purchase the badly needed equipment.

On behalf of the club, thank you so very much for recognizing our need and supporting our efforts to provide the community with a first rate recreational experience.

Sincerely,

Darcy Simpson

Club President
