4. NEW BUSINESS

4.1 2018 Capital Budget Review

The Chief Financial Officer presented information on the sewer fund with the following points:

- The budget is only showing outwards of two years because an asset management plan will be available in 2020 and will guide the budgeting process thereafter.
- The waste water treatment plant works is completed as of 2017 and is not reflected in the budget.
- The Aylmer Road sewer was complete in 2017 and is not reflected in the budget.
- Sewer line cleaning and video scoping on Hillside Avenue is proposed for 2018 to be funded from the sewer reserve.

- New sewer on VLA Road will cost \$195,000 and can be funded through a parcel tax.

The Chief Financial Officer presented information on the water fund with the following points:

- The waterline looping project on Aylmer Road completed in 2017 and is not reflected in the budget.
- The Water Conservation Plan requires completion in 2018.
- There are redundant waterlines on Hillside Avenue and the plan is to complete the engineering in 2018 and complete the works in 2019. This project will remove the older asset and connect all the properties to the newer waterline.
- A chlorination module is proposed for the water treatment plant in 2019.
- The funding for the water projects will be \$25,000 from surplus, and \$200,000 from gas tax.

The Chief Financial Officer presented information on the capital fund with the following points:

- The Official Community Plan requires updating and \$7,000 is needed to kickstart the re-write of the OCP bylaw.
- The Hillside Avenue land swap involves re-location of BC Hydro poles. The budgeted amount is \$30,000.
- A hydrant replacement program is being instituted starting in 2019 following completion of the asset management plan.

Other capital projects include:

- Air compressor (Fire Department) \$18,000
- Furnace (Fire Department) \$5,000
- Snow plow/sanding equipment \$18,000
- Community Hall assessment \$15,000
- Ice arena compressor \$8,000
- Arena drainage works \$20,000
- Columbarium \$30,000 (2019)
- Golf Course water meter \$5,000

The Chief Financial Officer offered the following estimates for reserves available for 2018:

- General reserve \$100,000
- Solid waste reserve \$40,000
- Water reserve \$0
- Sewer reserve \$75,000
